How a Piccadilly Auction Works

A Piccadilly auction takes on a live, interactive format that gives everyone an opportunity to win big prizes for just a handful of quarters. Each item is priced in 25-cent increments, ranging from \$.50 to \$10.00. If you would like to bid on an item, you toss the designated amount of quarters into a bucket, with a winner drawn at random. Rolled quarters are available for purchase during the event, or you are welcome to bring quarters and paper bills with you.
